

Home Weatherization for Income Qualified Customers Application Form

The JCP&L Home Weatherization for Income Qualified Customers program provides energy conservation measures to income-qualified families living in the state of New Jersey at **no cost**.

For your household to be eligible, you must meet at least one of the following requirements:

1. Your primary residence must be located within a pre-qualified moderate-income census tract. Census tract confirmation can be verified at <https://geomap.ffiec.gov/FFIECGeocMap/GeocodeMap1.aspx> (using the 2021 or 2022 lookup) or
2. You must provide proof of participation in the New Jersey SHARES (NJ SHARES) federal/safety net partnership program, or
3. Your household income is above 250% and below 400% of the Federal Poverty Guidelines (see the chart of 2023 Income Level).

For the home/building to be eligible, you must meet each of the following criteria:

1. Must be an active JCP&L residential customer, and
2. Reside in a single family home with up to a 4-unit dwelling, and
3. Must own the home or have property owner authorization (Renters/Tenants: see Landlord Consent & Permission Agreement), and
4. Must own or rent for at least 1 year in a home that is 5 years or older, and not under a builder's warranty.

Please complete the application form and email it to MIWx@cleareresult.com or mail it to:

CLEAResult
400 Morris Avenue Suite 244
Denville, NJ 07834
Attn: JCP&L MIWx
Phone: 800-915-8309 (option 3)

Upon receipt, your account information will be confirmed and, if eligible, you will be contacted to schedule your weatherization visit.

Applicant must be a New Jersey residential customer of JCP&L. Program valid from 7/1/21 through 6/30/24. JCP&L, its parents, subsidiaries, employees, affiliates, agents, and the associated Investor Owned Gas Company, assume no responsibility for the performance of the product or product warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor. The customer hereby agrees to indemnify, defend, and hold harmless JCP&L, its parents, subsidiaries, employees, affiliates agents, and the associated Investor-Owned Gas Company from any and all liability associated with this project. JCP&L and/or its designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate. Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential, and low-income energy efficiency programs, please visit energysaveNJ.com. By submitting this agreement, customer agrees to the terms and conditions of this document and certify that the information provided is true and accurate. Participation and program services may be limited to available program funding. By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your electric utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market as appropriate, with proceeds being used to reduce customers' costs for the programs.
